Bill Krueznack, Winnipeg

Personal Letter

Hi Ma Baby

How do you feel today? Okay I hope  
Will Dwayne and I are spent up again, for  
how long I don't know. He is down in Mannheim yet  
while I'm up here at Bill Krueznack. Maybe we'll  
get together when we get a three day pass.

We are living in barracks now. They are  
really beautiful, the rooms are painted two tone  
light green half way up the wall the ceilings are  
white and so are half the walls, three windows to a room  
right next to a room. Honey are you going to school  
now, I see I don't remember the time, or date of

the month anymore. It's raining outside right  
now, and is real dismal. We have mountains  
all around us they look beautiful, I'll take  
some pictures of them and send them down. My  
Brother is back from his vacation and will send  
me mail more often now. I'm sorry I didn't write  
sooner but I will from now on. I don't have too much  
to write about right now, but will write more to come.

Oh yes I'm an acting Corporal, I hope I do get to  
make the grade I'm on trial right now. It pays about  
\$150.00 a month, I'll be able to buy a new Pontiac when  
I get out. I'll give you a ride in it, if you would  
want to go along. That is if you trust me, and you

wouldn't have to worry I'm a gentleman. Well honey  
I will have to sign off for now and get to bed. Goodnight  
and Sweet Dreams. Give my Love to Dad and Mother.  
Oh yes to your brother Perry. God Bless you Honey

With All my Love

Bob

P.S. This is a personal letter  
for you alone. Love and Kisses
